

Marco Bianchi

Junior Backend Engineer

Prague, Czechia marco.bianchi@example.com +420 777 123 456

PROFILE

Recent bootcamp graduate with one year of hands-on backend experience in healthtech, focused on building reliable APIs and improving service performance.

EXPERIENCE

Intern, HealthTech Solutions

2025 - 2025

Prague, Czechia

- Assisted senior developers in maintaining patient-record APIs.
- Wrote unit tests that increased coverage by 10 % in the authentication module.

Junior Backend Engineer, MedTech Innovations

2025 - Present

Prague, Czechia

- Optimized database queries, cutting average API response time from 250 ms to 175 ms (-30%).
- Built an automated test suite that raised unit-test coverage from 45 % to 85 % within three months.
- Containerized the patient-onboarding service, reducing environment-setup time from 4 hours to 20 minutes.
