

Alex Popescu

Senior Security Engineer

Cluj-Napoca, Romania · alex.popescu@example.com · +40 722 123 456

Security professional with 6 years of experience designing and operating defensive controls, conducting penetration tests, and raising security awareness across engineering teams.

EXPERIENCE

2020 - Present

Senior Security Engineer

SecureTech SRL, Cluj-Napoca, Romania

- Reduced incident response time by 40% through automated alert triage in Splunk, processing 150+ alerts per week.
- Led quarterly penetration tests that uncovered 23 critical vulnerabilities; 90% were patched within two weeks.
- Designed and launched an internal phishing simulation program, increasing employee detection rate from 55% to 82% over six months.
- Authored a security hardening checklist adopted by five product teams, decreasing misconfiguration findings by 35%.
- Mentored two junior security analysts, both of whom earned OSCP certification within 12 months.

2018 - 2020

Security Analyst

CyberGuard Ltd., Timișoara, Romania

- Monitored SIEM dashboards for a fleet of 300+ servers, investigating an average of 50 alerts daily.
- Performed vulnerability assessments on web applications using Burp Suite, identifying and helping remediate 120+ issues.
- Assisted in drafting the company's ISO 27001 Statement of Applicability, contributing to successful certification audit.
